

ADDENDUM

Stop Payment Coverage For Electronic Check Service Agreement

(Available for eGold and Traditional Check Services Only)

Stop Payment Coverage is to guarantee the payment of stop payment check arising out of a dispute with the check writer and the merchant. The Stop Payment Coverage will be subject to a limit not exceeding the high check limit, approved by an authorized officer of GETI.

Merchant shall have performed all of its obligations related to the issuance of the check. At GETI's request, merchant shall provide to GETI:

eGold Service (check conversion with guarantee): merchant is required to have a check imager to qualify for stop payment coverage. In addition, stop payment claims require a copy of the invoice/work order, and an image of the check along with written information regarding any claims for reimbursement.

Traditional Check Guarantee: merchant is required to provide a copy of the invoice/work order and the original check along with written information regarding any claims for reimbursement. Claims must be submitted within 30 days from the date of the original transaction.

Stop Payment Coverage does not cover business account checks, only personal checking accounts. The check writer must be the individual being invoiced.

Stop payments will automatically be debited from the merchant's account until the claim is investigated by GETI. The accepted claims will be paid within 30 days.

Merchant agrees to pay additional .25% discount rate for Stop Payment Coverage.
